### Save the date - Pandox Hotel Market Day 2024

Pandox is holding its annual Hotel Market Day on 19 November 2024 at the Hilton Stockholm Slussen. The theme is 'A New Dawn - Hotels in a Changing World', where we bring together industry experts and decision makers to explore the future of the hotel industry in a time of great change. We look forward to a day filled with insightful discussions on how geopolitics, economic shifts and changing demand are affecting the hotel industry.

The event will take place both physically and digitally and will be webcasted live with start from 13:00 CET.

Pandox introduced the Hotel Market Day in 1996 with the aim to reflect upon and analyse important macro trends and to contribute added know-how to the hotel industry. Since then, the day has developed into a dynamic meeting place for decision makers within the international hotel industry.

At [www.pandox.se](http://www.pandox.se), information will be published on an ongoing basis about registration and the agenda for the day. Please note that the number of physical participants is limited.
